 Application of vinyl wrap and other protective films

Tools and equipment that you will use within this unit

Pressure washer  PPE  Power polisher  Cleaning chemicals 

Key vocabulary to consolidate.

Safety Wash Polish Recycle Chemicals Quality

Key vocabulary to stretch.

Ratio Check Detail Dilute Vinyl wrap

Assessment

Pupils will be regularly assessed carrying out different tasks to evaluate their progression. Observation of pupil ability and progression will be tracked.

Progression

This unit will provide suitable scaffolding of skills for future vocational curriculum. The work in this unit will support the pupils' maths and English progression. To practice essential skills such as polishing will support patience and perseverance, supporting their learning elsewhere. Pupils will have gained an increased knowledge of jobs within industry and this knowledge will help to form their opinions of what they might like to do in the future.
